I would 100% recommend Poppy Lane - as a professional wedding photographer I am fortunate enough to have witnessed many beautiful decorated churches and civil ceremonies but Poppy Lane's style is amazing! She has clear artist vision and classic style. My favourite wedding setup of all time is one of Poppy Lane's. Your guests will be amazed and your wedding photographer forever grateful if you book Poppy Lane!

I recently hired the moongate as well as welcome signs, lanterns and foliage from Stacey. She is an absolute dream to work with and couldn't do enough. I also bought the kids activity books from Stacey which were just beautiful! Thanks so much for everything Stacey xxx

Stacey is an absolute gem, we got let down a few weeks before our wedding by another decor company and my friend recommended Stacey she was so accommodating and put herself out to help me as she was already booked for my date. And of course the way she did up our reception was exceptional the attention to detail was excellent and was exactly what I asked and hoped for. I would 100 percent recommend. Thank you so much Stacey x
